UPS Battery Pack - RST060

Quick Start Guide

Kit Contents

GoalZero Sherpa 100 Kit

- ☐ GoalZero .....
- ☐ AC Wall Charger .....
- ☐ Car DC Port Adapter .....
- ☐ Laptop Charger Adapter Kit .....
- ☐ 12V Car Charger .....
- ☐ Beam DC Power Cable .....
- ☐ USB Charging Cable .....

For operation instruction see GoalZero User Guide

**NOTE:** Once the GoalZero goes flat, it will not supply power to any connected device until its charge level reaches approximately 60%, at which point it will automatically turn ON and supply power to connected devices. This can be manually overridden by pressing the power button on the GoalZero and it will supply power to connected devices.
